

INK COMPATIBILITY

3766 TORINO17M is a 17 mil polyester/cotton blend artist canvas with a subtle textured surface and matte finish. Ideal for photo and art reproductions, museum pieces, and banners, this canvas offers excellent color gamut, black density, and durability. It is water, scratch, and tear-resistant, with flexibility for stretching and does not crack when folded.

Compatible with Aqueous, Latex, Eco Solvent, Solvent and UV printers, TORINO17M is a versatile choice for high-quality printing applications.
