

DecorFlex Leather

DecorFlex Leather is a 19.47 oz. fabric with a leather embossment. DecorFlex Leather is ideal for any application that requires softness, tear resistance and elasticity while producing vibrant colors. The material can be used to create personalized upholstered furniture, indoor decorations, corporate lobbies seating, and exhibition graphics. DecorFlex Leather can help transform a space and provides unique opportunities for branding and design. The material can be printed using solvent, eco-solvent, UV & Latex inks. DecorFlex Leather is available in 55" widths.
